

135 Nations Fund: Palestinian Authority and UNRWA schools which claim to teach peace with Israel.

The Nahum Bedein Center for Near East Policy Research has examined more than 1000 texts since the PA initiated their first PA curriculum in 2000.

Findings: PA school books, used by UNRWA. Instead convey a consistent message:

Total war on the Jews.

Donor Nations: have a right to know that.

Read: "Does UNRWA Education Prepare Palestinian Children and Youth for a War against the Jews"? <https://tinyurl.com/52n3hetw>

Volunteer: Retirees welcome to help our efforts.

Children of the Aida UNRWA refugee camp, minutes from Jerusalem

or Whatsapp: +0587222661**

Contribute: So that we may translate and present PA/UNRWA education in the language of each legislative body that finances PA and UNRWA.

No nation will say it did not know.
