How to defeat the PLO and UNRWA

1. Recognize the new paradigm: Fatah can no longer be defined as a "partner for peace."
2. Neutralize COGAT* and its blind protection of the PA and UNRWA.
***THE ISRAEL CIVIL ADMINISTRATION**
3. Present PA and UNRWA Indoctrination as a primary factor in the war on Israel.

10. Encourage confiscation of all funds set aside by the PA to pay salaries for life to anyone who kills a Jew.

11. Organize conference of the descendants of the Dalal Mugrabi 1978 terror attack, where 35 Jews were murdered. Dalal is lionized by the PA and in UNRWA education.

12. Advocate harsh conditions in jails for terrorists, because current terror cells have turned into summer camps.

14. Oversee all funding to PA and UNRWA : Demand accountability for cash allocations to PA and UNRWA. Hold all PA funders criminally responsible for PA transgressions (NGOs have no diplomatic immunity).

15. Create a new think-tank to monitor and fight Arab terror.

16 Hire a community organization social worker to create a new Arab health and social welfare system, one that is independent of the corrupt PA and UNRWA.

17. Transform "victims of terror" into an effective organization to present the human face of those who have suffered the consequences of Arab violence.

18. Launch inquiry into private investments into PA.
